

## At what time can we check-in and check-out?

Check in time is strictly between 17,00 p.m. to 20,00p.m. of saturday (except B&B).

Check out time, means that the accommodation has to be left within 10,00 a.m. of saturday, day of departure.

You can request early check-in or late check-out with us during the reservation process, or within 48 hours from the arrival.

One of our company representatives or the owner, will meet you at the villa on the first day of your arrival and will give you the keys and walk you through the apartment and answer any questions you may have. Our company personnel are available every day in Italy to answer questions or address your concerns.
