

What should we do if we cannot get at the scheduled time?

You must call the responsible (as indicated on the voucher) or call our office. It states that, early check-in or late check-out in excess of one hour are charged € 5 every half hour, except that:

- The time has been agreed;
- There has been an inescapable fact.

For early departures from the date of Saturday or arrive after that date is required in any case a cost of 30 €.
